

# Johnson's Farm Photo Policy 2020

We welcome those who wish to use Johnson's Farm as a backdrop/setting for any portrait/commercial photography, even if the photographer is not compensated, financially or otherwise. Anyone not using an iPhone to take photos will need to turn in a signed waiver and pay the photographer fee online upon arrival!

We accept photos from April-October! However, we DO NOT accept photography weekends in MAY and nights of events! Please contact us at [info@johnsonsfarmproduce.com](mailto:info@johnsonsfarmproduce.com) to make sure the day is set before arriving!
